

**KWAZULU-NATAL TOP BUSINESS PORTFOLIO AWARDS 2010**

**KwaZulu-Natal TOP BUSINESS PORTFOLIO**

**Mining and Quarrying finalist and winner**

The mining and quarrying category was won by Richards Bay Minerals, represented by Sbu Zondi (RBM Stakeholder Relations). He was presented with the award by Grant Adlam, Lalita Ventura, Elizabeth Maepa (CEO FNB Public Sector Banking) and Michael Mabusyakhulu (KZN MEC for Economic Development and Tourism).

THE finalists in the mining and quarrying category – which includes the extracting and beneficiating of minerals – are Corobrik and Richards Bay Minerals.

**Corobrik**  
Corobrik's quarrying and manufacturing operations are underpinned by a holistic approach to sustainability. Business has been conducted "far beyond the factory gate" – extending to initiatives of a developmental nature, supporting job creation and better

quality outcomes.  
**WINNER: Richards Bay Minerals**  
Just as the products that come from the minerals extracted from the sand by Richards Bay Minerals enhance the lives of millions of people throughout the world, so the fruits of mining are enhancing the lives of people who live in the area. Richards Bay Minerals is committed to B-BBEE, which sees the direct participation of communities in delivering sustainable development projects.

**Transport, Storage and Communication finalists and winner**

The winner in the transport, storage and communication sector was Grindrod. Receiving the company's award from Grant Adlam, Lalita Ventura, Elizabeth Maepa and Michael Mabusyakhulu is Craig Robertson.

THE finalists in the transport, storage and communication sector – which includes land, railway, water, pipelines and air transport – are Mediterranean Shipping Company, Richards Bay Coal Terminal and Grindrod Limited.

**Mediterranean Shipping Company**  
Through Mediterranean Shipping Company's innovative, flexible and unique approach to shipping, the company has grown over the years to become a world leader with a community heart. Up to 38 % of the use of the Port of Durban is attributed to Mediterranean Shipping Company vessels, which is in itself exceptional.

**Richards Bay Coal Terminal**  
Richards Bay Coal Terminal (RBCT) is South Africa's third largest foreign exchange earner and one of the largest coal-exporting terminals

in the world. Positioned at one of the world's deep sea ports, RBCT is able to handle large ships and subsequently, large volumes. As such, it has gained a reputation for operating efficiently and reliably.  
**WINNER: Grindrod Limited**  
Grindrod Limited is a dynamic organisation with more than 100 years experience in South Africa's freight movement and related industries, providing total logistics solutions for clients.  
Grindrod today lists numerous proud achievements, including being named the top listed shipping company in the world in 2004 and 2005 and as the top listed company in South Africa for 2004 and 2005. In 2009, the group received the accolade as the number one JSE listed company over 10 years.

Integral to sustainable built environment outcomes for 108 years.  
Nature will thank you.
